

Job Opening: **Branch Deposit Operations Supervisor –Ohio Branch**

BANK VI is looking for an energetic, highly motivated individual to fill the position of **Branch Deposit Operations Supervisor** at our Ohio branch. In addition to providing full-service banking by processing all financial transactions accurately and in a timely manner the Branch Deposit Operations Supervisor oversees the branch's retail growth and profitability. They are responsible for maximizing branch growth by coaching and developing staff, establishing and upholding customer service, coordinating the efforts of staff to ensure that functions are completed effectively, responsible for deposit staff scheduling, following policies and procedures and ensuring staff follows all regulatory requirements, and all other various tasks involved in the overall deposit operation of the branch.

The position requires three or more years' experience in deposit operations or banking and at least two years of previous personnel management experience. An ideal candidate would have excellent leadership skills, understand the importance of confidentiality, and the ability to foster and maintain an excellent relationship with employees to support growth and development.

Hours will be 40 hours per week with a Saturday rotation required.

BANK VI offers a competitive total compensation package. Benefits include: Health, Dental, Life Insurance, Long Term Disability Insurance, Flexible Spending Accounts for health and dependent childcare expenses, Paid Vacation, Paid Holidays, and 401K Plan.

BANK VI is an Equal Opportunity Employer. Applications can be found on our bank website www.banksix.com. Please forward applications or resumes to:
