

JOB POSTING

Commercial Loan Coordinator
Westloop | Manhattan, KS

SCHEDULE: Full-Time

REPORTS TO:

AVP, Commercial Loan Coordinator Manager

For over 50 years, KS StateBank has balanced home-town banking values with a respected nation-wide presence. From our Retail team to our Lending teams, our employees are focused on creating positive experiences for our clients by providing incomparable knowledge, outstanding solutions, and exemplary service. Our focus isn't just on our clients, at KS StateBank we also strive to achieve mutual investment in our employees for long-term organizational and personal success—we invest in our team members and expect to receive engagement and results in return.

As a Commercial Loan Coordinator you will be responsible for commercial loan data gathering and commercial loan client service. You will provide exceptional service to our clients and your team members primarily offering support to Commercial Lenders. You will establish and maintain effective business relationships with our clients, outside vendors and other team members, and by providing exceptional support to our Commercial Lending team, you will enjoy a unique opportunity to learn the business of commercial banking.

An associates or undergraduate degree in Finance is preferred for this position along with two years of previous customer service experience, preferably in a financial institution or loan related field. Excellent analytical abilities and financial analysis knowledge are necessary skills. You should also have solid communication skills and be able to make quick decisions on your own and in a team environment.

We anticipate a starting salary of \$40,000-\$43,000 per annum based on your experience. Your career growth and financial reward is only limited by our shared success and your contribution to our continued growth.

Employee benefits include 401k, health, dental and vision insurance and paid time off.
