

NOW HIRING FOR A Short-Term Funding and Liquidity Analyst

This role is primarily responsible for the issuance and management of the Bank's short-term liability portfolio, including short-term consolidated obligation bonds and discount notes. Primarily responsible for maintaining adequate levels of liquidity to meet member needs and satisfy funding, liquidity, capital and funding gap requirements defined by statute, regulation, the Federal Housing Finance Agency and internal policy. Assists with the development, implementation and execution of funding and liquidity risk strategies which includes the issuance of consolidated obligation bonds and discount notes and execution of derivatives, and corresponding reporting. Also responsible for monitoring and managing internal compliance responsibilities/policies and developing and implementing strategic improvements to Capital Markets processes, procedures and strategies.

What qualifications are needed?

- Bachelor's degree in finance, economics, or business.
- Three to five years of similar or related experience.
- Thorough knowledge of financial markets, including money markets, money market instruments, bond and derivative markets and products.
- Financial modeling experience (Excel, Visual Basic, Bloomberg, etc).
- Considerable tact and good interpersonal skills.
- Ability to analyze information and make decisions not defined by policy or procedures which affect FHLBank's funding and liquidity.
- Must be able to work and travel independently.
- Strong written and oral communication and presentation skills.
