

NOW HIRING FOR AN Audit Intern

In this paid, part-time, year-round internship, you will learn how to:

- Test controls to ensure reliability and transparency of financial reporting, effectiveness and efficiency of operations, and compliance with applicable rules, regulations, guidelines, policies and procedures.
- Analyze and document the audit area by reviewing existing or developing documentation, such as detailed narratives and flowcharts, applicable policies and procedures, business unit risk assessments, etc.
- Prepare confirmations of customer balances.

What qualifications are needed?

- Completion of at least sophomore year of college, working toward an undergraduate degree in accounting or finance (or equivalent work experience) is required.
- One year of similar or related work experience is preferred but not required.
- General knowledge of generally accepted accounting principles and auditing standards.
- General knowledge of internal control system processes and risk management methodologies.
- Ability to work independently.
- Strong verbal and written communication skills.
- Knowledge and experience with Microsoft Office products, including Word, Access, Excel, PowerPoint and Visio.
- Ability to operate all types of general office equipment.
