

Cash Management Processor

Westloop | Manhattan, KS

Schedule: Full-Time

Reports to: AVP, Cash Management

Join our team at KS StateBank!

For over 50 years, KS StateBank has balanced home-town banking values with a respected nation-wide presence. Across all departments, our employees are focused on creating positive experiences for our clients by providing incomparable knowledge, outstanding solutions, and exemplary service. We are currently hiring for a Cash Management Specialist to join our team as we grow and build on our success.

As a Cash Management Processor you will have the opportunity to learn what happens behind-the-scenes at a financial institution, while also providing paths for personal and career growth and development. This position will primarily be responsible for operational support duties of Lockbox Services, Vault Services, credit card program and client service support. You will establish and maintain effective business relationships with our clients, outside vendors and other team members, and by providing support to our Cash Management team, you will enjoy a unique opportunity to learn the business of commercial banking.

We are looking for someone who is comfortable talking with people and can maintain confidentiality and diplomacy in order to create a positive client experience. Those who enjoy working as a team to make sure that work is completed accurately and efficiently will find themselves in a supportive environment. If you can demonstrate excellent service; strive for consistent, quality work; enjoy looking for logical answers; and have the ability to easily accept change, this may be the job for you.

Employee benefits include 401k, health, dental and vision insurance and paid time off.
