Marion National Bank is a progressive independent community bank in rural central Kansas and is looking for an experienced loan and relationship building officer to join their senior management team.

This individual will be responsible for developing and maintaining high quality account relationships and originate loans with agricultural, commercial, and consumer customers. The successful candidate should possess a bachelor's degree or the equivalent experience in banking or agriculture with three to five years of lending experience. Additional requirements are to exhibit excellent communication and interpersonal skills, strong computer aptitude, analytical capability, a strong work ethic with high integrity, self-motivated and experience in analyzing financial statements. This person will also represent the bank in the community by actively participating in community and professional organizations. Marion National Bank offers a competitive benefit package and is an equal opportunity employer.

Please send resume including salary requirements to : Marion National Bank C/O Ryan Edmundson, P.O. Box 295, Marion, KS 66861 or redmundson@marionnationalbank.com
