

Compliance Analyst Westloop | Manhattan, KS

Schedule: Full-Time

Reports to: VP, Internal Audit and Compliance

Join our team at KS StateBank!

For over 50 years, KS StateBank has balanced home-town banking values with a respected nation-wide presence. From our Retail team to our Lending teams, our employees are focused on creating positive experiences for our clients by providing incomparable knowledge, outstanding solutions, and exemplary service. Our focus isn't just on our clients, at KS StateBank we also strive to achieve mutual investment in our employees for long-term organizational and personal success—we invest in our team members and expect to receive engagement and results in return.

The Compliance department acts as the internal quality control for the Bank, ensuring that employees follow all regulations and policies for the benefits of the Bank and its clients. As a Compliance Analyst, you will be responsible for performing regulatory compliance duties under the direct supervision of the Compliance Officer, to assist in the development and maintenance of a strong professional compliance program and to ensure that all banking rules, regulations, and statutory requirements are met.

We're looking for someone who has general knowledge and understanding of lending, banking, operations and compliance functions and displays strong project management skills. Integrity, confidentiality, and objectivity are also important. People with good decision making, analytical and investigative abilities and strives to continuously develop their knowledge of compliance regulations and their application to the Bank will do well in this position.

Employee benefits include 401k, health, dental and vision insurance and paid time off.
