

Government Finance Funding Associate

Kansas Farm Bureau | Manhattan, KS

Schedule: Full-Time

Reports to: Vice President, Government Finance

Join our team at KS StateBank!

For over 50 years, KS StateBank has balanced home-town banking values with a respected nation-wide presence. Across all departments, our employees are focused on creating positive experiences for our clients by providing incomparable knowledge, outstanding solutions, and exemplary customer service. Our focus isn't just on our clients; at KS StateBank, we also strive to achieve mutual investment in our employees for long-term organizational and personal success—we invest in our team members and expect to receive engagement and results in return.

Our Government Finance department offers a vital service to cities, counties, schools, fire districts and other municipal entities by helping them secure the financing necessary to grow and serve their community. The Government Finance Funding Associate position provides an opportunity to learn what happens behind-the-scenes at a financial institution while also providing a path for personal and career growth and development. Employees enjoy a comfortable work environment with a relaxed dress code.

We're looking for someone who will learn the procedures and best practices for this position and then use facts, data and research to complete their tasks. You will have both individual duties and team responsibilities; we're working to support each other to accomplish the desired result—helping the client obtain a loan. Curiosity and the drive to learn in order to completely understand the connections are desirable traits. Individuals who are flexible, can quickly shift between the multiple demands, and who look for win-win solutions find success in this position.

Employee benefits include 401k, health, dental and vision insurance and paid time off.

If this position sounds like a good fit for you,
