

NOW HIRING FOR A

Director of Collateral & Safekeeping Operations

Oversees all activities of the department, including development and implementation of FHLBank's policies and practices for all areas of functional responsibility. These responsibilities include but are not limited to member collateral processes, collateral verifications, safekeeping processes, customer service and quality control. Develops and recommends changes to policies and practices based on review and interpretation of new laws, regulations, best practices and/or market conditions that may impact the department's practices. Keeps the Chief Credit Officer advised of any material conditions that could affect FHLBank's security interest in member collateral securing FHLBank credit obligations.

What qualifications are needed?

- Bachelor's degree in business, finance or accounting and/or equivalent work experience is required.
- Eight to ten years of similar or related experience with five years' experience in banking, bank regulation or credit risk management.
- Extensive knowledge of the banking and thrift industry, including lending markets (residential, commercial, small business and agricultural) and securities markets (agencies, mortgage-backed securities and collateralized mortgage obligations).
- Effective verbal and written communication skills.
- Knowledge and proficient use of MS Office applications including Word, Access and Excel.
- Ability to work and travel independently.
