

## 2022 YBOK CORPORATE CITIZENSHIP EFFORTS

Young Bank  
Officers of Kansas

A DIVISION of KBA

The YBOK Board is happy to announce the recipient of this years Corporate Citizenship Efforts, Jobs for America's Graduates – Kansas (JAG-K)! On top of a direct contribution from the YBOK Division, every additional \$5, \$10, \$15, or \$20 added onto your registration will go directly to JAG-K to help with their mission of preparing students for successful futures!

JAG-K is a 501(c)3 non-profit that partners with public schools to offer an elective class that provides academic and other positive supports to ensure students earn their diploma. By exploring career opportunities and practicing soft skills, students are prepared to successfully transition to post-secondary education, military service, or into the workforce following their graduation. JAG-K has exceeded national standards in the top five measured success categories since the class of 2014. State affiliates that exceed national standards are awarded for their excellence each year at the JAG National Training Seminar Conference. The proven outcomes of student success continue to highlight the benefits that a JAG-K program brings to a school. Evidence-based programs can put students who face multiple barriers to success back on the right track to graduation and beyond. JAG-K ensures that students are prepared to enter the real world, no matter their path after graduation.
