

For the 25th consecutive year, the Kansas Bankers Association is offering its heartwarming *Scenes of Kansas Calendar*, which celebrates Kansas' beauty and highlights your bank at an affordable price. What sets this full-color calendar apart is the personal way in which it is created. Photos chosen for the calendar are taken by Kansas bank employees, executive directors and their immediate families. Landscapes, seasons, Kansans, events—all images inspire and evoke a warm feeling of Kansas. Your bank's name, and if you prefer, your bank's logo will appear along the bottom edge of each calendar, remaining in full view throughout the year.
