CONFERENCES, WORKSHOPS, SEMINARS, SUNFLOWER WEBINARS

JANUARY

11 - Compliance Officer Boot Camp (Sunflower Webinar)

This webinar to show compliance officers how to develop an effective and efficient compliance program and ensure no loss of sleep wondering “what if”. It will cover common situations a Compliance Officer may deal with on a day-to-day basis when managing a compliance program. Unlike most webinars, this webinar will focus less on regulatory requirements and more on ensuring they are being met.

18 - ACH (Sunflower Webinar)

This webinar is designed for employees of financial institutions who are looking for an introduction to ACH requirements. This webinar will discuss general ACH program expectations, common issues seen during ACH audits, and tips from an auditor to mitigate your ACH risk and in compliance with NACHA rules.

30 - Bank Secrecy Act/Anti-Money Laundering Seminar, Virtual

This one-day program is designed to enhance the skills of your BSA and AML staff, as well as your independent audit team, to protect your bank's profits in challenging times of tight margins. Topics addressed: BSA/AML regulatory expectations, CIP, CDD, CTRs, SARs, OFAC, etc.

FEBRUARY

6 - Bank Leaders of Kansas (BLOK) Alumni Academy, Topeka

This full day program is designed for BLOK Alumni ONLY. It will feature professional development, leadership development, and networking.

7 - 2024 KBA Harold A. Stones Government Relations Conference & Legislative Cocktail Reception, Topeka

This conference will highlight state and federal legislative initiatives being spearheaded by the KBA and will feature remarks from state legislative leaders and other speakers. This day will conclude with a cocktail reception for bankers, legislators, and legislative staff.

12-13 - Bank Technology and Operations Conference & Showcase, Manhattan

Designed for both bank managers and information technology personnel, this 1 ½ day program focuses on the latest e-commerce trends affecting the banking industry. An exhibitors showcase, featuring 50+ technology vendors, is held in conjunction with the conference.

21-22 - Winter IRA Workshops Basic & Advanced Sessions, Virtual

Obtain up-to-date IRA information prior to tax filing. Ascensus will provide attendees with the latest IRA updates and changes, including a comprehensive IRA training manual.

27-28 - Call Report Update & Review, Virtual

This workshop will walk you through the complete Call Report process plus any new changes to the Call Report. This is an excellent review for the seasoned preparer.

MARCH

6-7 - Kansas Ag Bankers Conference, Manhattan

Sponsored by: KBA Kansas Ag Bankers Division (KAB)

Tailored for the entry level and experienced ag lender, participants will gain valuable information that will enhance their decision making processes in this 1 ½ day program. Dr. David Kohl will return as the lead presenter.

13 - Business Financial Statement Analysis, Virtual

Want to learn how to analyze business financial statements and tax returns in a case-based, compact, intense session? This program is your answer whether you are new to lending and financial analysis or just want a refresher.

14 - Business Cash Flow Analysis, Virtual

Want to move beyond ratio analysis and into the operating, investing and financing cash flows of a business and how they impact loan repayment? This program is for you.

21-22 - Women in Banking Conference, Overland Park

Join your peers to learn skills that will enhance your effectiveness inside and outside of the office. Women at every level – from emerging leaders to executives – will benefit from this conference and gain the knowledge to affect change, grow professionally and become more effective leaders.

29 - CFO/Controller/Financial Manager Forum, Topeka - SPRING SESSION - NEW THIS YEAR!

This forum is a facilitated platform for CFOs and Financial Managers to share information, exchange ideas, and discuss important issues with peers in an effort to improve effectiveness as a financial executive.

APRIL

9 - FDIC Bank Directors College, Manhattan

This one-day program will address the role of the community bank director. It will cover corporate governance, accounting hot topics, cybersecurity hot topics, insider abuse prevention, capital markets hot topics, plus much more.

3, 18 - Deposit Compliance, Virtual

With regulatory changes at both the federal and state levels coming fast and furiously, compliance has become a tremendous challenge in the bank. This full-day seminar is a virtual must for your bank's compliance and operations personnel.

4, 17 - Account Documentation, Virtual

Too often, personnel are trained to open certain types of accounts and they know what documentation to request but are not given the whys behind the policies and procedures. This full day program provides participants with an excellent resource for account documentation-related issues.

MAY

6 - KBA Golf Classic, Newton

Sponsored by: KBA Insurance, Benefitting Kansas Bankers Educational Foundation

7 - Incident Response, Virtual

In today's cybersecurity world, we can no longer hide behind the assumption that a business will never be compromised. It is not a question of IF a compromise will occur, but WHEN will it occur. A cyber incident is no different than a physical bank robbery in terms of the seriousness of the crime. A program you do not want to miss!

15-17 - MOKAN Trust and Financial Services Conference, Overland Park

Sponsored by: KBA Trust Division

This nationally recognized conference assists members in keeping abreast of current legislative, regulatory, and informative issues that impact trust businesses.

29 - Margin Management for Ag Bankers, Manhattan

Sponsored by: KBA Ag Bankers Division (KAB)

This program is designed to help bankers better understand the risk associated with lending to agricultural producers looking to protect their profit margins.

30 - Employment Law Compliance Seminar, Virtual

This timely one-day seminar will provide HR professionals with relevant, practical, and up-to-date advice in employment law compliance.

JUNE

6, 12 - KBA Legal Update, Virtual

KBA Legal Department Director Terri Thomas will present a fast-paced review of financial reform, regulatory mailings, state legislation, State Banking Department memos, UCC rulings, new court cases, and much more.

20 - How Kansas Banks Can Avoid Check Fraud Liability: From Prevention to Loss Allocation, Virtual

25 - Elder Abuse/Human Trafficking - ½ Day Virtual Program

This session will discuss the red flags and give you the tools to identify elder financial abuse in your community and help protect your customers. We will also discuss what financial institutions and BSA professionals can do to help identify, flag, and prevent human trafficking.

JULY

10 - Security Training Series Parts I, II & III (Sunlower Webinar)

11-12 - Advanced Commercial Loan Underwriting Workshop, KBA Office

AUGUST

8-10 - CEO & Senior Management Summit/Annual Meeting, Colorado Springs, CO

This three-day program, designed for bank CEOs, executive officers and directors, combines nationally known speakers and numerous networking opportunities to create one of our most popular annual events.

20-21 - Branch Manager Best Practices, Topeka (2-Day Program)

Branch locations are some of your most important distribution channels. The smooth and consistent operation of your branch is critical to maintaining and attracting business.

27-28 - Principles of Commercial/Ag Loan Documentation, Virtual

This seminar is designed to help those who make, manage or review loans become "proactive" in minimizing loan losses. It focuses on the major concepts, specific requirements, and common problems of loan documentation, with an emphasis on avoiding loan losses. The seminar will also cover Article 9 and UCCC information.

SEPTEMBER

4 - CFO/Controller/Financial Manager Forum, Topeka

This forum is a facilitated platform for CFOs and Financial Managers to share information, exchange ideas, and discuss important issues with peers in an effort to improve effectiveness as a financial executive.

11 - Construction Loans: Administering and Monitoring, Virtual

This program provides an overview of the many issues involved in both residential and commercial construction administration, as well as key differences between them.

12 - Commercial and Residential Appraisals: Reviewing and Interpreting, Virtual

Learn the fundamental principles of the appraisal process, with a focus on reviewing the report for integration into the overall underwriting.

OCTOBER

2-3 - Real Estate & Consumer Lending, Virtual

This timely workshop will provide an overview of the consumer and real estate lending requirements in the following regulations: Truth in Lending Act; Flood Insurance Regulations; FCRA; TILA and RESPA changes; HMDA changes; SAFE Act; HOEPA; Reg B – Appraisal rules; FACTA; Fair Lending; CRA; EFT; Reg E and BSA.

9-11 - YBOK Annual Conference, Hays

Sponsored by: Young Bank Officers of Kansas Division (YBOK)

This conference is designed to enhance the leadership and professional development skills of young bank officers, while providing the opportunity to network and learn from each other.

24-25 - KBA Trust Conference, Wichita

Sponsored by: KBA Trust Division

This conference will emphasize the issues important to trust management as well as sessions devoted to trust operations and administration.

Bank Technology Discussion Forum, Topeka - TBD

This forum is a facilitated platform for IT personnel to share information, exchange ideas, and discuss important issues with peers to improve effectiveness with information technology in the financial institution.

NOVEMBER

6-7 - Economic Outlook and Risk Management Conference, Manhattan

Attend this 1 ½ day annual conference to receive the most up-to-date information on the national economy coupled with sessions on risk management strategies, investment portfolio management, balance sheet tips, liquidity, capital planning and much more. Exhibit opportunities are available.

14 - Elder Abuse/Human Trafficking - ½ day virtual program

This session will discuss the red flags and give you the tools to identify elder financial abuse in your community and help protect your customers. We will also discuss what financial institutions and BSA professionals can do to help identify, flag, and prevent human trafficking.

18-22 - Fall IRA Workshops - Basic & Advanced - Locations TBD

With all the IRA plan types, proposed regulation changes and clarifications of existing rules and regulations, this review of the IRA account is a must. Included is a comprehensive IRA training manual.

DECEMBER

3-4 - Internal Audit, Virtual

This seminar will cover all aspects of internal bank auditing for the bank's internal auditor.

Instructors

We utilize a number of instructors, including KBA Legal Department Director Terri D. Thomas, to conduct in-bank training. The presenter selected is dependent on the topic and timing of the training. Please contact us at the KBA for pricing and speaker information.

Just as bankers respond to their customers' needs, we make it a top priority to respond to yours.

ONLINE TRAINING PARTNERS

Offers eleven certification programs focused on specific information technology needs. Each certification course is ten weeks and may be completed online at the student's convenience.

Online training provider offering in excess of 750 regulatory compliance, financial skills and professional development courses with targeted tracks for specific job functions.

Consists of skill-building courses covering retail, consumer, small business and commercial banking topics as well as compliance and trust. All courses are completed over the internet.

Provides state-of-the-art, internet-based training using interactive and engaging coursework combined with a learning management system to manage training activities.

SUNFLOWER WEBINARS

These webinars originate at the KBA and tend to focus on need-to-know, Kansas specific training topics. This is an ideal way for us to disseminate information in a timely manner on a law or regulation change.

KBA partners with the Graduate School of Banking at the University of Wisconsin-Madison to offer webinar training designed to meet the dynamic needs of today's busy financial professional. May be viewed live or on-demand.
