The only waterfall in Colorado on National Geographic's list of International Waterfalls, Seven Falls is one of the state's most captivating natural wonders. Guests of the resort can get shuttle service to the park from the front entrance of the West building. Seven Falls is also an easy one-mile hike from the resort. Once the shuttle drops you at the park entrance, it is approximately 8/10 of a mile to the base of the Falls, with many points of interest along the way. Walking is the best way to experience the full beauty of the canyon. Tickets are \$20/person (the park is not open Tuesday, but is open Mon & Wed).

### FALCONRY

Experience "The Sport of Kings" through this unique opportunity that allows you an up-close encounter with our majestic birds of prey. Your lesson begins at the mews, where our birds are housed. Our falconer introduces you to our fleet of birds and discusses the unique characteristics of each species along with the history of this 4000-year-old tradition. Your lesson continues to the flying field with a free-flight demonstration, where our falconer demonstrates training tactics and commands the bird to fly in and around your group. Your experience caps off with the opportunity to hold one of our birds. With a Beginners Lesson (1.5 hours), you will get the chance to interact with a variety of captive-bred, trained birds, including owls, falcons, and hawks. Tickets are \$144-\$170 for Beginners Lessons.
