Credit Analyst (Full-Time)

Location TBD

Central National Bank is looking for a motivated and friendly professional to join its team! The Central National Bank team has been offering financial advice and services to the public since 1884, and is dedicated to ensuring the friendliest and most helpful assistance to its customers. We offer competitive pay, great benefits, as well as career advancement opportunities!

As a Credit Analyst you will be responsible for supporting the commercial/agricultural lending function through evaluation of large, complex new loan proposals as well as the monitoring of the existing commercial loan portfolio, including but not limited to financial, cash flow, sensitivity and industry analysis to assess risks in proposed new loans and the existing commercial and agricultural portfolios.

Position Standards and Qualifications:

Qualified candidates should have three to five years of similar or related experience. Candidates should also have a college degree in accounting or a business-related field or have demonstrated equivalent work experience in commercial lending (i.e. such as a loan officer, bank examiner, or similar vocation). A strong working knowledge of both commercial and agricultural credit as well as lending practices is a must. Must also be proficient in evaluating and interpreting financial statements and performing cash flow analysis. Professionalism, excellent communication, computer and problem-solving skills are also needed for this role.
