

BANKERS' BANK
OF KANSAS

WE ARE GROWING!

PROJECT MANAGER

Works with business partners to elicit, analyze, communicate and validate requirements for new/existing business processes, reporting and data analysis needs, and information systems enhancements. Provides project management support, process development oversight, and application implementation support including analysis, specifications, documentation, validation testing direction, and training. Operational hours are 8:00 a.m. until 5:00 p.m., Monday through Friday, in a normal office environment.

REQUIREMENTS

- Highly adaptable in a fast-paced, hyper-growth environment; able to thrive within ambiguity.
- Ability to analyze business problems and advocate best solutions.
- Detail oriented and possesses exceptional organizational and time management skills.
- Excellent oral and written communication and interpersonal skills.
- Comfortable acting as an intermediary between product groups and stakeholders.
- Bachelor's Degree or equivalent experience required.
- Minimum of 2 years' experience in Project Management
- Financial institution experience preferred but not required.

ABOUT US

Bankers' Bank of Kansas is as a dedicated partner, not a competitor, to community banks. Founded on October 5, 1988, Bankers' Bank of Kansas began with 31 banks, investing \$1.5 million in capital and surplus. Our equity capital now exceeds our first day total assets. Today, as one of 12 bankers' banks nationwide, Bankers' Bank of Kansas has over 180 shareholders and proudly offers correspondent services to over 90% of banks across Kansas. This growth reflects our ongoing commitment to the vision of Bankers' Bank of Kansas: to thrive as community banking and our marketplace evolves.

BENEFITS

Medical / Dental / Vision Plan Coverage, Flexible Spending Accounts (FSA) / Health Savings Accounts (HSA), 401(k), Profit Sharing, Life and AD&D Insurance, Disability Insurance, and Employee Assistance Program
