

## 2025 YBOK CORPORATE CITIZENSHIP EFFORTS

Young Bank  
Officers of Kansas

A DIVISION of KBA

The YBOK Board is happy to announce the recipient of this years Corporate Citizenship Efforts, Growing Food Growing Health in Lawrence! On top of a direct contribution from the YBOK Division, every additional \$5, \$10, \$15, or \$20 added onto your registration will go directly to Growing Food Growing Health.

The mission of Growing Food Growing Health is to nourish and inspire personal well-being, strengthen community connections, and support sustainable, local food systems.

GFGH fulfills their mission by creating beautiful and productive gardens, developing youth leaders, and using food as a transformative path to health.

At the Growing Food Growing Health and Growing Food Growing Hope gardens in Lawrence, Kansas, students learn how to grow food while taking care of the Earth, to work as members of a team, and to facilitate community healing and engagement among those who are recovering from addiction and those who are food insecure.
