

**Treasury Management
Relationship Specialist**
Westloop | Manhattan, KS

Schedule: Full-Time

Reports to: Vice President, Treasury
Management Services

Join our Treasury Management team as a Relationship Specialist! This position is great for someone who has commercial or retail banking experience and would like to expand their career. The Treasury Management Relationship Specialist is primarily responsible for maintaining and growing our client relationships and works directly with clients, the sales teams, and officers to identify opportunities – ensuring the best fit in terms of account types, products, or additional services.

This role will focus on building and expanding relationships with existing and prospective clients; answers questions or inquiries from commercial deposit and treasury management clients; resolves client issues; maintains analysis; identifies additional client needs; escalation for the Treasury Management Processors and sales team. The Treasury Management Relationship Specialist is also responsible for providing treasury management support to include assisting clients with questions in regard to business products and services, and training.

Higher education in business or a finance related field is preferred, along with one to two years of commercial or retail banking experience. Candidates should have a sound knowledge of deposit products, online banking services and accounts receivables as well as general understanding of bank operations and accounting. We're looking for someone who is a self-starter with the ability to perform duties and make decisions with little supervision. If you: are able to work both independently and as part of a team, have a professional attitude, possess strong organizational and time management skills, can maintain confidentiality, have excellent written and verbal communication skills, and are able to successfully interact with clients, this may be the job for you.

For over 55 years, KS StateBank has balanced home-town banking values with a respected nation-wide presence. Across all departments, our employees are focused on creating positive experiences for our clients by providing incomparable knowledge, outstanding solutions, and exemplary customer service. Our focus isn't just on our clients; at KS StateBank, we also strive to achieve mutual investment in our employees for long-term organizational and personal success.

Wages start at \$15 to \$20 per hour.

Employee benefits include 401k, health, dental and vision insurance and paid time off.
