Tuesday, February 9

8:00 – 9:00 a.m. **Registration, Exhibitor Check-in, & Set Up**

9:00 – 9:15 a.m. **Welcome**

Kendal Kay, KBA Chairman, Stockgrowers State Bank, Ashland

9:15 – 10:15 a.m. **The Trust Premium Rising: Identity, Cyber and Fraud in the Age of Agents**

Lee Wetherington, Jack Henry

As we navigate the post-Mythos cyber threat-scape, the importance of identity and trust are being recalibrated. This session explores how banks can prepare for a future in which AI both accelerates fraud threats and strengthens fraud defenses. We will examine emerging fraud trends and forecasts, the growing role of AI and agentic systems in fraud prevention, and the implications for Remote Deposit Capture (RDC) check fraud, in-branch identity controls, and customer identity verification. The discussion will also look ahead to near-term Treasury Management opportunities involving stablecoins and other forms of regulated tokenized money, and how smart contracts will impact innovation, security, and trust in the emerging era of agentic banking
